Officials encourage prioritizing safety this Halloween

As cities and neighborhoods across Alabama prepare for trick-or-treat fun this Halloween, the Alabama Law Enforcement Agency (ALEA) is reminding parents, guardians, and motorists to prioritize safety.

With increased pedestrian traffic, excited trick-or-treaters, and seasonal celebrations, ALEA's goal is to ensure everyone enjoys a safe and happy Halloween.

"We are committed to protecting Alabama families year-round, but especially on nights like Halloween, when excitement can sometimes overshadow caution," said ALEA Secretary Hal Taylor. "By planning ahead, staying alert and using safety tools, we can ensure a safe and memorable evening for everyone."

Key Halloween Safety Tips:

- Plan your route ahead of time. Choose well-lit areas and use sidewalks whenever possible.
- Stay visible. Add reflective tape to costumes or carry glow sticks and flashlights.
- Travel in groups. Young children should always be accompanied by an adult.
- Check treats. Discard any unsealed or suspicious items before eating.
- Stay alert and slow down when driving. Children may dart into the street unexpectedly.

The Elba Chamber of Commerce will host Pumpkins on the Square on Friday, Oct. 31, beginning at 5:30 p.m. on the square in downtown Elba.

There will be a table set up in the lobby for donations.

dren may dart into the street unexpectedly.

Avoid distractions. Put down the phone and focus on driving.

Drive sober. Never get behind the wheel under the influence of drugs or alcohol.

- Before heading out, ALEA encourages families to use the Alabama Sex Offender Registry, a public safety resource that allows users to search for registered sex offenders by name, address, or geographic area. Parents can use this tool to make informed decisions about trick-or-treating routes and neighborhood safety.

The Alabama Cooperative Extension Agency also is sharing safety tips to ensure a fun, but safe Halloween for trick-or-treaters.

Kali Gilbert and Meaghanne Thompson, both health and wellness agents with Alabama Extension at Auburn University, said following simple tricks can ensure a safe and healthy holiday.

The Elba Tigers made the playoffs with their win last Friday night over Floral. This has not been Elba's best season for wins, but the young Tiger team did what it needed to do at the right times to claim a berth in the playoffs. Now, we realize the order will be tall in the playoffs as the team will start with a #1 seed from another region, but they always say the playoffs are a whole new season because everyone's record is same at the start of the playoffs. If you win, you keep playing no matter how many games you won during the regular season. As an alum of Elba City Schools, we are proud of this team for digging deep and continuing to grow this season! It's our job as the "community" to show our support...Good Luck, Tigers!

TREAT

(CONTINUED FROM PAGE 1)

said. “Families get outside, meet neighbors and let kids show off their creativity with costumes and decorations. It’s also a great time to teach safety — walking together, checking treats and setting expectations — while still having a blast.”

Gilbert and Thompson’s top tips cover trick-or-treating safety and healthy options for moderating candy consumption.

Whether homemade or store-bought, Halloween safety considerations start with costumes.

“Masks can block vision, so face paint is usually safer,” Gilbert said. “Remember to test face paint ahead of time to avoid skin reactions. If a mask is a must, make sure it has wide eye openings and good airflow.”

Gilbert also advised choosing flame-resistant fabrics and avoiding long costumes that could easily become a tripping hazard.

With sunset occurring before 6 p.m. on Halloween, Thompson stressed the importance of incorporating costume elements that improve visibility.

“You can find reflectors, flashlights or glow-in-the-dark necklaces for low-cost at dollar stores,” Thompson said. “Carry a few backups with you just in case. Strollers or carts are handy for toting extra candy or costume pieces that children are tired of wearing, but remember to add lights or reflectors to those as well.”

Additional safety tips include the following:

Dress in layers for changing weather.

Label costumes with a parent’s phone number, just in case a child gets lost.

Hold hands when walking between houses. On sidewalks or streets, children should be on the house side with adults on the street side.

Match the trick-or-treating route to each child’s age and energy.

Toddlers may only make it one block.

Younger, school-aged children can usually handle 20 to 40 minutes.

Older children can go farther with boundaries and check-in times.

Ensure children always walk with an adult or in a supervised group. Use location-sharing smartphone apps for preteens.

Inspecting Treats and Providing Options

Once trick or treating ends, the temptation to taste-test each and every treat begins. However, exercising patience is paramount.

“Parents should inspect candy first to make sure no seals are broken and nothing looks out-of-place,” Thompson said. “I have a daughter with a food allergy, so that adds an additional concern. We have to double-check everything to ensure that it is safe for her.”

Residents participating in Halloween can help families like the Thompsons by choosing different handouts in place of candy. Thanks to the Teal Pumpkin Project, placing a teal pumpkin or sign near a front door now serves as a signal that the home provides safe options for those with food allergies.

“Try giving out pretzels, fruit leather, nut-free granola bars or popcorn,” Gilbert said “Options like stickers, glow sticks, pencils, temporary tattoos or small toys are fun and allergy friendly. These nonfood treats can help kids with allergies or diabetes feel included.”

For those who do hand out candy, consider selecting smaller portions and checking food labels.

“When you take in too much sugar, your energy level will be high for a little while, but that is followed by the post sugar crash, which is not good for anybody,” Thompson said. “So, look for candies that have 5% or less daily value of sugar, sodium or saturated fat. That percent daily value is a general recommendation based on a 2,000 calorie per day diet.”

After adults have inspected the evening’s loot for safety, children should still be encouraged to consume candy in moderation.

“Even before trick or treating, provide a good dinner so kids aren’t hungry as they collect all the treats,” Gilbert said. “Let them enjoy a few pieces that night, then store the rest in sealed containers. Create a treat schedule where children get to enjoy a couple pieces after dinner each day. Pair candy with water to help balance out the sugar.”

Storing candy in an out-of-sight location lessens temptations to overindulge.

Plus, participating in fun, Halloween-themed exercises can help work off additional calories.

“Have a dance-off, compete in broomstick limbo, create silly monster walks or enjoy flashlight scavenger hunts,” Gilbert suggested.

Gilbert also said that before settling in for an All Hallows’ Eve slumber, children need to brush their teeth.

“When sugar stays on teeth overnight, it combines with bacteria in the mouth to create acids that erode tooth enamel,” Gilbert said. “Brushing before sleep removes these sugars and bacteria, helping prevent cavities and promoting lifelong oral health.”

While these tips for restraint and safety can help ensure a happy holiday, don’t forget to focus on having fun.

“Halloween is a one-day event,” Thompson said. “Special occasions like this aren’t going to make or break your child’s health. However, small changes do add up, and that kind of mindset can help all year long.”

Grief and Depression

When you lose a loved one, it’s only natural to feel sad. Those feelings of melancholy may persist for weeks or even months, and that’s okay. However, there are differences between normal feelings of grief and clinical depression. It’s important to be aware of the signs and symptoms of the latter and to seek care when necessary.

Spotting the differences between grief and depression can be challenging, as there is certainly some overlap between them. For example, both grief and depression can result in intense sadness, insomnia, a poor appetite, and weight loss.

One key difference, however, is grief tends to abate over time - and it can also come in waves. For example, certain people or situations may help you feel better, at least temporarily. Depression, meanwhile, is much more persistent and pervasive.

Some additional signs it’s depression, not grief, that you’re dealing with: You have feelings of guilt that are unrelated to your grief; You have thoughts about committing suicide; You have low self-esteem or become preoccupied by how “worthless” you are; You become sluggish, hesitant, or confused in your speech; or You have prolonged difficulty in carrying out simple, day-to-day tasks.

These are all signs you have clinical depression and should seek treatment. This could be as simple as regular therapy sessions, or it may include the use of antidepressant medications.

It’s important to remember bereavement is natural and normal - but depression is something altogether different. If you believe you are struggling with depression, make sure you reach out to someone who can help you find the treatment you need.

By Ricky Mularz, Sports Editor

Our grandson Cannon spent the night with us over the weekend and it is really amazing to see how much he has grown every time we see him. We sat outside and played with a Halloween ghoul for a long time to keep him from being scared of the red-eyed beast, and before we went back inside he was laughing every time it made a scary sound. I'm not sure he is really all that comfortable with the creature, but was happy that his Nanny and Granddaddy were outside with him to keep it from moving from its spot on the porch.

For what it is worth....

***** Just when the other teams in the region thought it was safe to go back near the river!** The Elba Tigers overcame a shocking 0-6 start and closed out a season-ending run of three wins in four games with an impressive 47-28 win over Florala to advance to the 1A football playoffs for the 18th time in the last 19 years. The Tigers were left for dead by many after the slow start, but the players and coaches never quit working and believing in themselves, and instead of throwing in the towel wrote yet another chapter in the history of Elba Tiger football that will be used in the future to give teams hope even when losses mount. It may sound corny, but it was just another example of Tiger pride!

The Elba offense had a solid game plan that was centered around its running game and short passes to move the chains and control the clock, and it worked to near perfection as the Tigers controlled the ball for over eight minutes in each of the opening three quarters and heading into the fourth quarter owned a time of possession edge of 25:32 to 10:28. The third quarter was the turning point in the game as Elba turned a one-point deficit into a 20-point advantage, and rolled up 189 yards in total offense to only 23 yards for Florala. Easton McKelvy had his best night of the season at quarterback as he passed for four touchdowns and after an incompletion on his first pass never missed again as he completed ten straight passes, and also ran for 41 yards. Tyceson Davis continued to show his power at running back as he rushed for over 100 yards for the sixth straight game and scored two touchdowns, Cassidy Carpenter provided a 1-2 punch at running back as he averaged almost six yards per carry and added a touchdown, and Reggie Gilbert kept on going like the 'energizer bunny' as he rushed for almost seven yards per carry and caught five passes for two touchdowns. Elba did have seven fumbles that may have prevented at least one more score, but when it got rolling it was fun to watch.

The Elba defense did allow 28 points and 255 yards passing, but two touchdowns and 120 yards passing came in the game's final three minutes after the outcome had been decided, and from my view above the bleachers played one of its best games of the season. The defense allowed only 26 yards rushing, forced three 'three and outs,' had two defensive stands that kept the Florala offense out of the endzone and came up with a pair of turnovers. I am greedy and will admit I hated to see Florala score its final two touchdowns, but all in all it was definitely a winning night for the defense in a must win game against a high-scoring team. Good job.

I know no one in the Elba Tiger football family is happy about its 3-7 record, but while four of the losses came to a trio of region champs and a region runner-up that have a combined record of 31-4, the other three were by a combined margin of only 13 points. With their backs to the wall, the Tigers won three of their last four games by an average of 29 points a game and achieved one of their goals – to make the playoffs. There is no doubt plenty to build on.

Zion Chapel was the only team to take home a win. * Zion Chapel barely broke a sweat as it coasted past winless Barbour County 29-6. The Rebels know what it they had to do to win, and did just that as everyone in uniform got in on the action as they picked up win number five. * Kinston was thought to be outmanned by region runner-up Brantley but battled the Bulldogs for all four quarters in its quest to make the playoffs before being outscored 47-34 and proved once again that a solid foundation has been built that will lead to success for years to come. *New Brockton saw its playoff hopes dashed in a 42-21 road loss to Pike County, but was no doubt the surprise team of the season as it ended the season with a 6-4 record, its most wins since 2018, and let everyone know the Gamecocks are a team to contend with, no matter the classification.

***** While everyone will read in the week to come** about the teams that will advance to the state playoffs and be reminded that Luverne has now been a playoff participant 42 straight years, there are a number of teams that didn't make the post-season party that deserve at least a 'shout out' before the regular season draws to a close. In Class 1A, Sweet Water failed to make the playoffs for the first time in 25 years and Florala didn't advance for only the second time in the past eight seasons. In Class 3A, Hillcrest, of Evergreen, the state champ back in 2017, failed to move on for the third time in the past 13 years, while Alabama Christian missed the post-season for the first time in 10 years, and B.B. Comer missed the party for only the second time in the past seven years. In Class 4A, Straughn didn't advance for the first time in five years. In Class 5A, Faith missed the post-season for the second time in eight years. In Class 7A, Enterprise missed the post-season for the first time in seven years and only the fourth time in the past 13 years, and Dothan missed for the second time in the past five seasons. It may be a season-long race to make the playoffs, but there are always some teams that simply fell behind early and never caught up.

***** A few other items work mentioning** while on the subject of high school football .. Fyffe may strike fear to most teams across the state, but not Geraldine, which defeated it 17-6 last week, its third win over the statewide power in the last five years .. Wadley, the defending 1A state champion, owns the state's longest winning streak

at 23 games .. Columbia owns the state's longest losing streak at an amazing 100 straight games .. Clarke County owns the current record with 28 straight region wins .. Saraland owns the current streak with 38 straight wins at home .. Luverne set a team record this season by scoring 542 points, and still has one game left against Daleville .. Geneva set a team record by allowing 389 points, with one game left against G.W. Long.

I assured him the Elba fans made the trip for a reason, but did admit the final score was a little surprising. Anyway, the local guesspert hit on 23 of his 28 picks last week for another solid week and left a few picks for this week's fearless forecast. Here goes....

ZION CHAPEL VS. PLEASANT HOME

The troops from up at Fort Jack plan on doing some bird hunting this weekend and should have plenty to shoot at since a big flock is expected to arrive around sundown. The troops will have their muskets loaded to bag their limit, and while it may not be as easy as many think, look for them t get enough to call it a win.

Late season surge lifts Tiger spirits

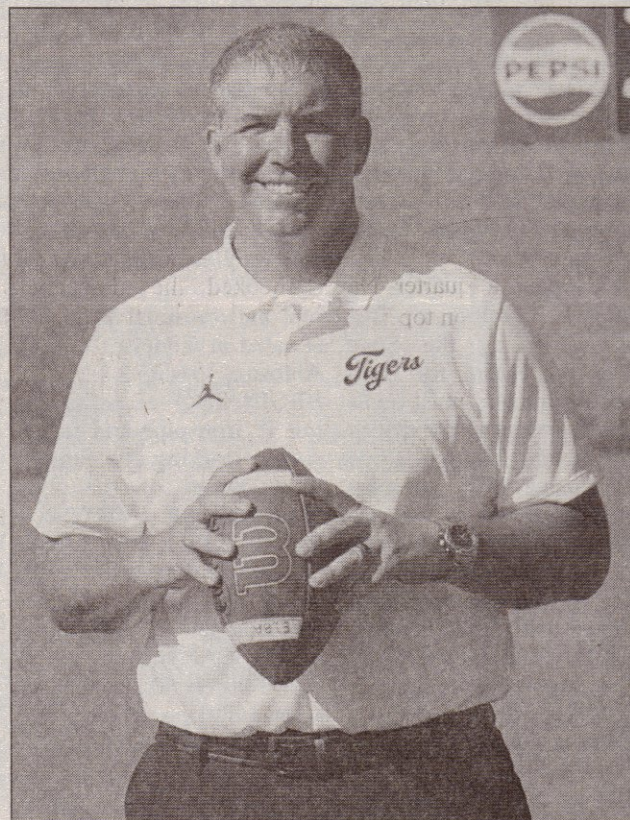

The Elba Tigers claimed their third region win in four weeks last Friday night to earn the number four seed in the upcoming state football playoffs, and Coach Jon Cooper stated after the win that in making the playoff field the players learned a lesson about hard work and dedication.

"I am so proud of the players for their hard work and believing in what we are doing," stated Coach Cooper. "When you have been working all summer and into the fall and start the season with six losses it is easy to question what is happening, but this bunch never quit working and showed a lot of pride and determination by winning three of their final four region games to make the playoffs There were no easy wins in the region and we had to prepare each and every week to play our best. It didn't always happen, but we used each game as a learning tool and at the end we had a pretty good football team."

"The win over Florala was a good way to head into the post-season," added Cooper, "because they had a very good football team and we had to play our best to win. Florala has some really talented players and was also battling for a playoff spot. So, it was a big game for both teams and I am proud of our guys for executing on both sides of the ball and getting the win. I know we look a little complicated

at times on offense, but we have basically three or four run schemes and may throw in a wrinkle every now or then. Our goal against Florala to was to control the clock and keep its offense on the sidelines, and it worked just like we had hoped. Over on defense we played some different people in an attempt to match-up with their skill folks, and for the most part it worked. We still need to tackle better and understand down and distance on certain plays, but that is getting better and will come as we grow together and learn the game."

"This week we will stick to our routine and keep working to get better in all we do," added Cooper. "We may take one day off to help the players reenergize, but the win Friday night did that and everyone is looking forward to going to practice and continuing to get better. We are not a typical 3-7 team. We lost to three region champs and

ELBA TIGER HEAD COACH JON COOPER

a region runner-up that are a combined 34-4, and lost three more games by a total of sixteen points, which is one possession a game.

This team has grown as the season has progressed and we are looking forward to the post-season and the next challenge."

Elba Junior Tigers tip off basketball season with big road victory over Zion Chapel

The Elba Tigers tipped off their basketball season last week with a pair of games against county rivals.

Following are highlights of both games:

Elba 53 Zion Chapel 13

The Elba Tigers jumped out to an early 17-1 lead and never looked back last Monday afternoon in a 53-13 road win over the Zion Chapel Rebels.

A three-pointer by Cooper Holley put the Tigers ahead early, while Jayse Williams scored eight points in the opening quarter as Elba opened up a 17-1 lead. Zion Chapel's Axton Sanders hit a three-pointer late in the stanza to cut the deficit to 17-4. However, Jaquez Hill scored six points in the second quarter as the Tigers

used a 9-2 run to carry a 26-6 lead in at the half.

RJ Melton and Williams sparked an early 10-0 Elba run in the third quarter to push the Tigers lead to 36-6, and Christian Johnson took command in the final stanza as Elba coasted to the 53-13 season opening win.

Jayse Williams scored 14 points and RJ Melton added 11 to lead Elba, while also scoring for the Tigers were Jaquez Hill 8, Cooper Holley 6, Christian Johnson 6, Kimorion Lane 4, Stryker McCord 2 and Carter Mitchell 2. Scoring for Zion Chapel were Noah Taylor 4, Axton Sanders 4, Hunter Archie 3 and Brody Dilliard 2.

Coppinville 51 Elba 32

The Elba Tigers watched an early lead vanish in the

second quarter and never caught up in a 51-32 home loss to the Coppinville Eagles, last Tuesday afternoon.

Elba's Jaquez Hill scored six points in the first quarter to help the Tigers build an early 12-9 lead, but the Tigers missed an opportunity to take an even bigger lead as they connected on only 3 of 10 free-throws in the quarter. Elba's Jayse Williams hit two of four free-throws in the second quarter, but it would be the only two points the Tigers would score, as Coppinville used a 14-2 run to carry a 23-14 lead in at the half.

Carter Mitchell and Williams scored four points, apiece, in the third quarter as the Tigers closed to within 32-24. However, the Eagles regained command late and pulled way to hand Elba the 51-32 defeat.

Jayse Williams and Jaquez Hill scored 8 points apiece to lead Elba, while also scoring for the Tigers were Carter Mitchell 7, RJ Melton 6 and Cooper Holley 3. Zaccheus Hill scored 15 points and Kaviyon Williams added 13 to lead Coppinville.

The New Brockton Gamecocks saw their season-long quest for a playoff berth come to an end Friday night with a 42-21 region road loss to the Pike County Bulldogs, at Brundidge's Wayne Grant Field.

New Brockton received the opening kickoff and promptly marched 71 yards in 10 plays to grab an early lead. Bryant Crumpler rushed for 39 yards on three carries to help lead the Gamecocks down the field, while Anthony Silar capped the scoring march with a 4-yard run. Jose Soto kicked the extra-point, and with 5:50 left in the opening quarter New Brockton was on top 7-0.

Pike County began its initial series near midfield and quickly drove into the endzone to answer the Gamecock score. Braylin Jackson scored on a 13-yard run, and Kevyn Galeote-curiel added the extra-point as the Bulldogs pulled even at 7-7 with 4:06 still left in the quarter.

The game's next three possessions all ended in turnovers, while it was Pike County that was next to add to its point total when the Bulldogs Braylin Jackson scored his second td of the half on a 2-yard run with 52-seconds remaining in the second quarter. Galeote-curiel kicked the

extra-point as Pike County went up 14-7.

A 22-yard kickoff return by Shakir Middleton set the Gamecocks up with good field position to begin its ensuing series, and New Brockton wasted little time getting into the endzone. A 50-yard pass completion from Wesley Creel to Anthony Silar moved the Gamecocks within the shadows of the goal post, it was same combination that clicked for the score when Creel threw a 6-yard td toss to Silar. Soto added the extra-point as the Gamecocks pulled even at 14-14 with just 22-seconds left on the clock.

Pike County began its ensuing series at the New Brockton 41-yardline after a long kickoff return and shocked the Gamecocks when on the final play of the half CJ Griffin lofted a pass that was tipped into the arms of Aiden Foster for a Bulldog touchdown. The extra-point attempt was again good, as Pike County carried a 21-14 lead in at intermission.

Pike County received the second half kickoff and went 59 yards in seven plays to extend its lead. Braylin Jackson scored his third touchdown of the game on an 8-yard run, and after the extra-point, the Bulldogs lead was up to 28-14 with 9:19 left in the third quarter.

New Brockton answered the Bulldog score as on its ensuing possession

the Gamecocks drove 75 yards in 11 plays to cut into the Pike County lead. A 14-yard pass from Creel to Crumpler was a key play in the long scoring drive, while the score came on a 13-yard run by Anthony Silar. Soto booted the extra-point as the Gamecocks got within 28-21 with 3:15 remaining in the quarter.

Braylin Jackson scored his fourth touchdown of the night on the Bulldogs ensuing possession and the extra-point was true as Pike County upped its lead to 35-21 with 8-seconds left in the quarter, and Azhoree Eutsey scored on a 51-yard dash after an on-sides kick as Pike County moved ahead 42-21 and held on to hand New Brockton the region loss.

Wesley Creel completed 13 of 19 passes for 188 yards and one touchdown to lead New Brockton, while Bryant Crumpler rushed for 102 yards on 13 carries and caught five passes for 67 yards, and Anthony Silar rushed for 52 yards and two td's on 11 carries and caught six passes for 67 yards and one score.

Bryant Crumpler made 10 tackles to lead the Gamecock defense, while Peyton Collins added 7 tackles, three tackles for losses and one sack; Kaiden Sims had 5 tackles and one tackle for a loss; Anthony Silar had 3 tackles and a pass interception; and, Leo Reyes had 3 tackles.

New Brockton Gamecocks Noah Moore (8) and Bryant Crumpler (34) pursue an opposing running back in recent prep football action. The Gamecocks ended the season last week with a 42-21 loss to Pike County.

New Brockton Gamecock Gabriel Dean (15) takes a handoff from Wesley Creel (14) and looks for room to run in recent action.

In key region rumble

Bulldogs bounced by Brantley 47-34

The Kinston Bulldogs rallied from a 22-point second quarter deficit to pull within six points early in the fourth quarter, but saw the gallant rally fall short in a high-scoring 47-34 region loss to the Brantley Bulldogs.

Brantley took the game's opening possession and went 51 yards in nine plays to grab an early lead. Andre Wright rushed for 46 yards on five carries to lead Brantley down the field and scored the game's first touchdown on a 23-yard dash. Asa Blackmon kicked the extra-point as Brantley jumped ahead 7-0 with 8:39 remaining in the first quarter.

Kinston was also ready to put points on the scoreboard and on its initial series drove 61 yards in 11 running plays to reach the endzone. Jon Simmons rushed for 24 yards in five carries to lead the Bulldogs into the endzone, with Lucas Farris capping the seven-minute march with an 8-yard run. A two-point pass failed, leaving Brantley on top 7-6 with 1:52 left in the quarter.

Brantley had a quick answer for the Kinston score as on its ensuing possession it went 66 yards in only four plays to extend its lead. Grayson Goodwin rushed for 68 yards on two carries and scored on a 15-yard run to spark the drive, while Blackmon added the extra-

point to push the lead to 14-6 with 40-seconds left in the opening quarter.

Both teams were forced to punt on their next possessions, but Kinston battled back on its next series and behind the running of Judd Green reached a first down at the Brantley 15-yardline. Green rushed for 33 yards in the first three plays of the drive, but the Bulldogs failed to cash in the scoring opportunity, and then watched as Brantley responded with an 81-yard march in nine plays to extend its lead.

Kevin Freeman completed two passes for 34 yards to highlight the long scoring drive and Andre Wright rushed for 22 yards on four carries, while Grayson Goodwin capped the drive with a 4-yard td run. Blackmon's extra-point was true, as Brantley upped its lead to 21-6 with 1:17 left in the half.

Kinston played 'beat the clock' on its ensuing possession and behind the running of Lucas Farris reached a first down at the Brantley 12-yardline. However, a first down pass fell incomplete as the horn sounded, and at intermission Brantley went in with a 21-6 lead.

Brantley began its initial series of the third quarter at the Kinston 35-yardline after a 21-yard punt return by Andre Wright, and took advantage of the short field to increase its advantage. Kevin Freeman connected with Hank Johnson on

an 8-yard td toss, and Blackmon added the extra-point to up the Brantley lead to 28-6 with 8:05 left in the third quarter.

Kinston took the ensuing kickoff and went 65 yards on eight running plays to cut into the deficit. Jon Simmons rushed for 30 yards on three carries to lead the drive, with Judd Green scoring the Bulldog touchdown on a 9-yard run. Green also ran in the two-point conversion as Kinston got within 28-14 with 5:34 left in the quarter.

Kinston recovered an on-sides kick and behind the running of Simmons and Green reached a first down at the Brantley 23-yardline, but saw disaster strike when a Bulldog pass was picked off by Brantley's Andre Wright and returned 98 yards for a touchdown. The extra-point failed, but with 1:56 still left in the quarter Brantley was back in charge with a 34-14 lead.

Kinston went right back to work on its next series and went 59 yards in eight plays to again cut into the deficit. Jon Simmons completed two passes for 33 yards and connected with Joshua Hart on a 31-yard td toss, and while a two-point pass missed its target, the Bulldogs trailed 34-20 with 11:18 left in the fourth quarter.

Kinston converted another on-sides kick following the score and quickly went 48 yards in four plays to pull within one score. Judd Green rushed for 33 yards on three carries and scored the Bulldog td on a 25-yard run, and Simmons ran in a two-point conversion as Kinston pulled within 34-28 with 9:50 left on the clock.

Elba Tigers punch ticket to playoffs with 47-28 win over Florala

By, Ricky Mularz, Sports Editor
Photos by, Colby Capps

The Elba Tigers scored 34 straight second half points to erase a one-point halftime deficit in a wild 47-28 region road win over the Florala Wildcats Friday night to punch their tickets to the upcoming 1A state football playoffs.

Elba drove to the Florala 34-yardline on its initial offensive series of the night and reached the Wildcats 2-yardline on its second series, only to come away empty-handed on both possessions as a total of four fumbles foiled the scoring opportunities.

The Tigers began their third possession at the Florala 27-yardline after a fumble recovery by Easton McKelvy and this time cashed in the opportunity in four plays when McKelvy connected with Ky'Avian Stoudemire on an 11-yard touchdown toss. Tyceson Davis kicked the extra-point, and with 8:54 left in the second quarter Elba was up 7-0.

Florala quickly answered the Tiger touchdown as the Wildcats responded with a five-play, 55-yard scoring march. A 29-yard pass from Gage Davis to Noah Bryan was a key play in the drive, while the score came on a 6-yard run by Jayden Bradberry. Davis passed to Jeremiah Stone for the two-point conversion as Florala sneaked in front 8-7 with 7:11 remaining in the quarter.

Elba began its ensuing possession at midfield after an unsuccessful on-sides kick attempt, and promptly marched 50 yards in 11 plays to regain the lead. A 21-yard scamper by Tyceson Davis

Elba's Cassidy Carpenter is shown escaping the reach of a Florala Wildcats defender during last week's region win for the Tigers. Carpenter helped his team to victory with seven carries for 39 yards in the game.

on fourth down and one at the Florala 41-yardline kept the drive alive early, while the Tiger td also came on a fourth down play when Easton McKelvy passed to Davis from three-yards out. The extra-point attempt sailed wide, but with 1:11 left in the quarter Elba was back on top 13-8.

Florala began its ensuing possession at the Elba 47-yardline after a short kickoff, and this time the Wildcats went 47 yards in six plays to pull back ahead. A 26-yard pass from Gage Davis to Noah Bryan and a pass interference penalty against Elba in the endzone were key plays in the drive, which was capped on the final play of the half on a 5-yard td toss from Davis to Bryan. A two-point pass failed to add points; however, at halftime Florala

was on top 14-13.

Elba received the second half kickoff and went 51 yards in five plays to move back in front. An 11-yard pass from Easton McKelvy to Reggie Gilbert and a 12-yard run by McKelvy got the drive off to a fast start, while the Tiger touchdown came on a 36-yard pass from McKelvy to Gilbert. Cassidy Carpenter ran in the two-point conversion as Elba grabbed a 21-14 lead with 9:38 left in the third quarter.

The Tigers got the ball right back four plays later when Carpenter stripped the football away from a Wildcat receiver and recovered the fumble at the Florala 43-yardline, and this time it took the Tigers only three plays to get back into the endzone. A 27-yard pass from McKelvy to Levi Martin on the first play of the possession moved Elba to the Florala 16, and one play later it was the combination of McKelvy to Gilbert that clicked again, this time on a 14-yard touchdown toss. Davis booted the extra-point, and with 6:50 left in the quarter the Tigers had extended their lead to 28-14.

Elba regained possession near midfield after a defensive stop, and six plays later was right back in the endzone! Tyceson Davis rushed for 31 yards on three carries and scored the touchdown on a 2-yard run, and while the extra-point attempt failed, the Tigers lead had grown to 34-14 with 2:01 remaining in the third quarter.

Elba recovered a short kickoff at the Florala 43-yardline to continue the third quarter fireworks, and scored in just four plays to again stretch its lead. Davis rushed for 32 yards on three carries to lead the Tigers downfield, while Cassidy Carpenter scored on an 11-yard dash up the middle on the first play of the fourth quarter. Davis kicked the extra-point, and with 11:49 left in the fourth quarter the Tigers were in command with a 41-14 lead.

The Elba defense turned back a Florala scoring threat on the game's next offensive series after the Wildcats reached a first down at the Elba 24-yardline, and the Tigers set sails on a 72-yard scoring drive that ate up over four and one-half minutes off the clock. A 25-yard run by Cassidy Carpenter sparked the long scoring march, while Tyceson Davis capped the drive with a 3-yard run. The extra-point attempt was blocked, but with 3:01 remaining on the clock the Tigers had blown the game open and owned a 47-14 lead.

Florala scored twice in the closing minutes on a 15-yard pass from Gage Davis to Noah Bryan and a 4-yard pass from Davis to Bryan, but the two Wildcat scores only changed the final score as at the final horn the Tigers left the field with a 46-28 win and a berth in the state playoffs.

Easton McKelvy completed 10 of 11 passes for 118 yards and 4 touchdowns and rushed for 41 yards on nine carries to lead the Elba offense, while Tyceson Davis rushed for 142 yards and two touchdowns and caught two passes for 10 yards and one touchdown. Reggie Gilbert rushed for 41 yards on six carries and caught five passes for 69 yards and two touchdowns. Cassidy Carpenter rushed for 39 yards and one td on seven carries, Ky'Avian Stoudemire caught two passes for 31 yards and one td, and Levi Martin caught two passes for 35 yards.

Gage Davis completed 16 of 26 passes for 255 yards and three touchdowns, while Noah Bryan had 8 catches for 175 yards and two td's and Jeremiah Stone had three catches for 57 yards and one touchdown.

The Tigers will travel to Leroy for the first round of the AHSAA football playoffs set for Friday, Nov. 7th. Kickoff for that game is set for 7 p.m.

Fans are encouraged to make the trip to support the Elba Tigers.

Elba's Reggie Gilbert (1) rushed for 41 yards on six carries and pulled in five passes for another 69 yards in last Friday's big region win over Florala. The win secured Elba's spot in the playoffs set to begin Friday, Nov. 7th. Elba will travel to Leroy for first round playoff action.

Elba's Tyceson Davis (6) rushed for 142 yards with two touchdowns in Elba's region win over Florala. Davis also caught two passes from qb Easton McKelvy for 10 yards and another touchdown in the game. This week is an off week for the Tigers as they prepare for the playoffs.

Elba varsity cheerleaders Hillary Hudson, Kayden Moseley and Mary Brooklyn O'Neal were all smiles last Friday night in Florala as the Elba Tigers claimed a big win! The cheerleaders are looking forward to cheering the Tigers again Friday, Nov. 7, in the playoffs.

Elba Marching Tiger Band member Parrish Grantham is shown playing the flute during the band's halftime performance last Friday night.

What does the Bible say about... Afflictions?

Article written by Douglas Williams

“Though our outward man perish, yet the inward man is being renewed day by day. For our light affliction, which is but for a moment, is working for us a far more exceeding and eternal weight of glory, while we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal. For we know that if our earthly house, this tent, is destroyed, we have a building from God, a house not made with hands, eternal in the heavens” (2 Corinthians 4:16-5:1).

“For I reckon that the sufferings of this present time are not worthy to be compared with the glory that shall be revealed in us” (Romans 8:18).

Affliction is trouble, hardship, difficulty, adversity, tribulation, and grievous distress. It causes pain, grief, sorrow, and suffering. Afflictions come in different forms, and everyone experiences them.

How grateful we should be to know that we have a loving heavenly Father who knows and understands our afflictions and that the Bible offers comfort, help, and salvation as we trust the Lord in faith and obedience. In our afflictions, it might be of assistance to think about the woman in her troubles who said she liked to think of her favorite Bible verse. When asked what it was, she replied, “And it came to pass,” and explained she was glad the Bible didn’t say, “that it came to stay.”

The Bible says, “Casting all your care upon Him; for He careth for you” (1 Peter 5:7). “God is our refuge and strength, a very present help in trouble” (Psalm 46:1). “O Lord, my strength, and my fortress, and my refuge in the day of affliction” (Jeremiah 16:19).

In Acts 7:10, we read that God was with Joseph and delivered him out of all his afflictions. In Hebrews 11:24-25, we read, “By faith Moses, when he was come to years, refused to be called the son of Pharaoh’s daughter, choosing rather to suffer afflictions with the people of God, than to enjoy the pleasures of sin for a season.”

God has not promised us a life free of affliction; rather, He has promised He “will never leave nor forsake us” (Hebrews 13:5). God bless you, and may He always help us look to Him in faith and obedience that we may enjoy all of God’s blessings, and especially His spiritual blessings in Christ and salvation in heaven.

RETURN OF STOLEN PROPERTY

In 1960 Audrey Wheeler left her purse at a restaurant. It contained her ID card, several pictures of her family, a copy of Psalm 23 from her father’s funeral and her pay envelope with a week’s pay in cash. A thief took the money and left the rest, which somehow ended up in the kitchen wall of the café. It was found forty years later when the building was demolished. When Wheeler recovered her purse at the police station, it was in surprisingly good condition considering the time and place where it had been hidden. As she pulled out each of the lost treasures, she and her sisters spent several hours talking about the memories that each item bought forth. The women agreed that the memories triggered by the pictures were far more important than the lost cash, although at the time, it had been a lot of money.

The innocence of the human race was stolen in the Garden of Eden. Our relationship with GOD, that was lost in the fall was far more valuable than was far more valuable than anything Adam and Eve hoped to gain. We still suffer from their mistaken quest today. But John tells us about a new Heaven, where everything that has been stolen by sin shall be renewed in the presence of GOD. All our hurt and misery shall be wiped away. In fact, through the work of Christ, God already is giving us a taste of the new paradise for us. With such a great gift at hand, does it make sense to continue to sin? -- C.R.B.
